When ordering or registering on our site, as appropriate, you may be asked to enter your: name, e-mail address, mailing address or phone number. You may, however, visit our site anonymously. We may also store your PayPal e-mail address if you choose to pay via PayPal.

Google, as a third party vendor, uses cookies to serve ads on your site. Google's use of the DART cookie enables it to serve ads to your users based on their visit to your sites and other sites on the Internet. Users may opt out of the use of the DART cookie by visiting the Google ad and content network privacy policy..

What do we use your information for?

Any of the information we collect from you may be used in one of the following ways:

- **To personalize your experience.** Your information helps us to better respond to your individual needs
- **To improve our website.** We continually strive to improve our website offerings based on the information and feedback we receive from you.
- **To improve customer service.** Your information helps us to more effectively respond to your customer service requests and support needs.
- **To process transactions.** Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested.
- **To administer a contest, promotion, survey or other site feature.**
- **To send periodic emails.** The email address you provide for order processing, will only be used to send you information and updates pertaining to your order.

Note: If at any time you would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.

How do we protect your information?

We implement a variety of security measures to maintain the safety of your personal information when you submit a request, place an order or access your personal information.

These security measures include: password protected directories and databases to safeguard your information or SSL (Secure Sockets Layered) technology to ensure that your information is fully encrypted and sent across the Internet securely.

We offer the use of a secure server. All supplied sensitive/credit information is transmitted via Secure Socket Layer (SSL) technology and then encrypted into our Payment gateway providers database only to be accessible by those authorized with special access rights to such systems, and are required to keep the information confidential.

After a transaction, your private information (credit cards, social security numbers, financials, etc.) will not be stored on our servers.

Do we use cookies?

Yes (Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the sites or service providers systems to recognize your browser and capture and remember certain information
